Mission Statement of the Fox Point Police Department

We are a professional Police Department, dedicated to providing the highest quality police service to the citizens we serve. Our mission includes:

- *Protecting life and property*
- *Preventing crime, reducing the fear of crime, and apprehending those who violate the law.*
- *Providing needed services to the community*

Working cooperatively with the public, we strive to improve the quality of life in Fox Point.

Values of the Fox Point Police Department

A police organization is guided in its operation by laws, ordinances, procedures, rules and regulations. In addition to legal and administrative requirements, police organizations are powerfully influenced by their values, where values are beliefs that guide the organization and behavior of its employees.

To help accomplish our mission, the Fox Point Police Department is committed to these values that guide our work and decisions:

- **Openness and Accessibility.** *The Fox Point Police Department will strive to conduct our affairs publicly and be accessible to the public.*
- **Fairness.** *We will strive to be fair in all our actions*
- **Responsiveness.** *We will be responsive to the needs of the community, working together to solve problems of mutual concern.*
- **Sensitivity.** *We will be sensitive to the needs and concerns of our clients.*
- **Accountability.** *We are responsible for our conduct and performance, both to the community and ourselves.*
- **Organizational Efficiency.** *We are committed to providing police service as efficiently as possible.*
- **Community Orientation.** *We will strive to do what is always best for the community.*
- **Compassion.** *We will show empathy and caring for victims, complainants, and all people we come into contact with.*
- **Problem Solving.** *We are most efficient when we help identify and solve community problems.*
- **Fiscal Responsibility.** *We are concerned with conserving the tax dollars that fund the operation of our Department.*
- **Democratic Principals.** *We will protect the constitutional rights and personal freedoms of all citizens.*
- **Teamwork.** *We recognize the importance of each employee as an individual and team player. We will strive to apply all of these values to our interactions with each other.*

Police Auxiliary

The Village of Fox Point Auxiliary Police Force consists of five non-sworn, civic-minded men and women, who help augment the sworn personnel in carrying out their work in the community. The Auxiliary Officers duties include helping with crowd control at special events, monitoring and closing down election polls, and riding along with sworn officers on patrol. In 2006, the Auxiliary Officers spent 31 hours on patrol, which included two call-ins for extra personnel for prisoner transports. They also worked 75 hours assisting with the following special events:

2006 AUXILIARY ASSISTED SPECIAL EVENTS	
JCC Independence Day/Walk for Israel	May 3
Miller Ride for the Arts	June 1
July 4 Parade	July 4
Primary Fall Elections	September 12
Striders Lakefront Marathon	October 1
Fall Elections	November 7
Funeral Detail	November 28

The Auxiliary Officers also attended monthly training meetings, which covered a variety of topics. In 2006, the Auxiliary Officers completed a total of 108 hours of training. This consisted of handcuffing procedures, baton, pepper spray usage, and firearms. In addition, various training videos were viewed coupled with scenario based training in the classroom. Two Auxiliaries attended a CPR Refresher at the Mequon Fire Department. In addition, one Auxiliary Officer attended a six week, 24 hour Auxiliary In-Service training at MATC and one Auxiliary Officer attended First Responder Refresher training along with the full time officers of this department.

Under Wisconsin State law, Fox Point is required to have a Police Commission. The members of the Commission are appointed for five years by the Village President, with the confirmation of the Village Board, and serve on the Commission without compensation. The Police Commission has authority over all members of the police department who have arrest powers. The duties of the Police Commission, established under Wisconsin Statute, are:

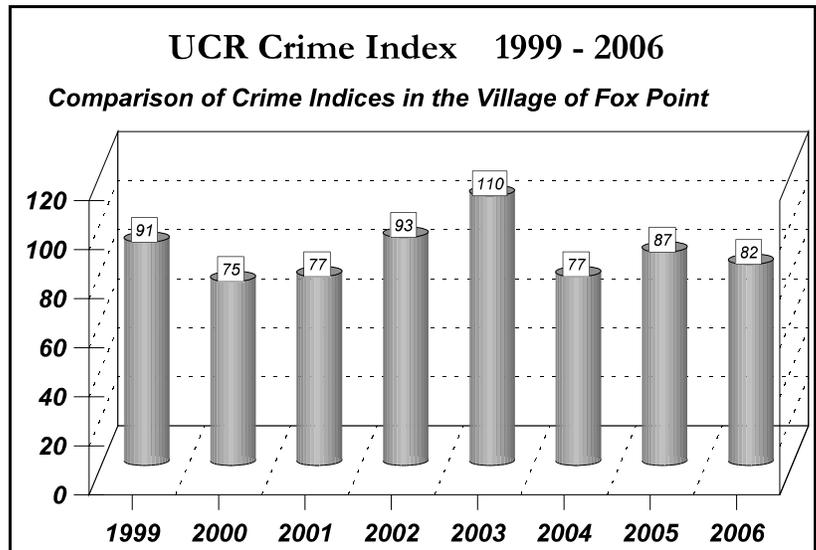

- 1) Appoint, suspend or remove the Chief of Police.
- 2) Approve appointments and promotions of subordinates in the police department made by the Chief of Police.
- 3) Establish a selection process and eligibility list for entry level positions.
- 4) Establish a selection process and eligibility list for promotions within the police department.
- 5) Approve the examinations to be used to judge suitability for appointment.
- 6) Control examinations, designate and change examiners and establish compensation to be paid to the examiners.
- 7) Approve each list of individuals determined to be eligible for appointment to the police department.
- 8) Hear appeals from subordinates in the police department who have been suspended by the Chief of Police and who request a hearing.
- 9) Suspend the Chief of Police and subordinates pending the filing and hearing of charges.
- 10) Initiate charges against the Chief of Police or any subordinate.
- 11) Hear charges filed against the Chief of Police or a subordinate, make findings and determinations and impose penalties.
- 12) Adopt rules governing the administration of the disciplinary and appeal process.
- 13) Receive, investigate and resolve citizen complaints filed against sworn members of the police department.

The Commission met three times in 2006.

Crime Index - Part I Offenses

The Fox Point Police Department participates in the Uniform Crime Reporting (UCR) system. The crime statistics for the Village of Fox Point are submitted monthly to the Wisconsin Department of Justice, Office of Justice Assistance. The information is then forwarded to the Federal Bureau of Investigation, Uniform Crime Reporting Division. The FBI compiles nationwide crime statistics and publishes *The Uniform Crime Reports* in November of each year.

The Crime Index is the total amount of Part I offenses. Part I offenses are comprised of the following crimes: homicide, sexual assault, robbery, assault, burglary, theft, and motor vehicle thefts. In 2006 the Crime Index for Fox Point was 82. This figure represents a 5.7% decrease in crime, compared with 2005. Thirty-five (40%) of the offenses that occurred in Fox Point were cleared by arrest.

Dispatch and Administrative Services

In July 1999, the Village of Fox Point contracted with the Bayside Police Department to provide public safety dispatching services for Fox Point. In 2004, Bayside also began dispatching for the Village of River Hills. The goal of this shared venture was to provide the same, or better level of service to the community at a reduced cost.

All 9-1-1 calls and non-emergency calls for service are answered at the dispatch center in Bayside. In 2006 Bayside Communications Center answered four hundred eight "9-1-1" calls for Fox Point.

In 2006, Fox Point paid Bayside \$173,962.70 for dispatching services.

Administrative calls for the Chief of Police and the Police Department staff are received by clerks at the Fox Point Police Department. When the Fox Point station is closed, the Bayside dispatcher answers the calls. The clerks are on duty Monday - Friday from 8:00 A.M. to 5:00 P.M. and 8:00 A.M. to 4:00 P.M. on Saturday. The station is closed on Sunday and Holidays.

Emergency Medical Services

The Fox Point Police Department's commitment to the community goes beyond traditional policing services to include training in emergency medical services. All police officers are trained as First Responders in emergency medical care and licensed by the State of Wisconsin. The initial training consists of over 40 hours of classroom instruction with practical hands on care and 24 hours of refresher training every two years. The department's medical program has oversight from an Emergency Room Physician at Froedert Hospital to ensure appropriate current topics in medicine are being presented to officers.

Officers responding to calls for medical services provide an initial patient assessment and basic life support until an ambulance arrives from the North Shore Fire Department. Fox Point Police Officers are one of many medical providers a patient will encounter when suffering from a medical condition and this early intervention is provided to correct or slow any significant condition a patient is experiencing. During 2006, officers responded to 208 calls for emergency medical services, with one patient being revived from a sudden cardiac arrest prior to the ambulance arrival.

Investigations Bureau

Investigator Daniel Gehring is in charge of the Investigations Bureau. Investigator Gehring is responsible for investigating all major crimes within the Village of Fox Point and assisting the patrol officers in investigations and at crime scenes. The following represents the activity of the investigation bureau in 2006:

Criminal Investigations: During 2006, Patrol officers investigated 352 incidents and 31 were forwarded to the Investigator for follow-up. Of those 31 cases, 19 were cleared by arrest, 9 cases were closed because of lack of evidence or leads and 3 cases are still pending.

Identification Files: In 2006, the Investigator and patrol officers handled many assignments requiring photographs. Thirty-three investigations required crime scene photos, 8 traffic accidents were photographed and 139 booking photos were taken. The Investigator is responsible for the maintenance of all photography equipment and filing all photographs taken by the department.

Property Inventory: The Investigator maintains all property inventory and is responsible for the Department's property room. In 2006, 418 items were added to the Department's computer property files. These items were either stolen, evidence obtained, or found property. Every attempt is made to return property to the proper owners. In those instances where the proper owner is not located, it is disposed of in accordance with Wisconsin State Statutes. In 2005, 335 items were either returned to the proper owners, or property that had no value was destroyed.

Holding Cells: The Fox Point Police Department has two holding cells used to detain individuals for up to twelve hours. The Wisconsin Department of Corrections inspects the cells annually and the Fox Point holding cells continually meet or exceed State standards. In 2006, two individuals were detained in the holding cells.

Training

The goal of the Fox Point Police Department is to deliver the highest quality service to the community. In order to achieve this goal, our personnel must be familiar with the most recent changes in laws, court decisions, law enforcement techniques and technology. The Fox Point Police Department utilizes many training programs presented by Federal, State, and local levels to accomplish this goal. In addition, the Fox Point Police Department has many talented individuals who are certified as instructors in areas such as: field training, firearms, defensive tactics, and crime prevention. These individuals provide in-house training at roll call presentations and specialized training sessions.

In 2006, Fox Point Police personnel received a total of 1,183 hours of training. The training received by the officers concentrated on law enforcement updates, both tactics and legal. In addition to patrol updates, management personnel received training on topics specific to personnel issues and effective leadership. The Investigator receives the same updates as the patrol personnel, however also attends conferences and seminars specific to the position.

In addition to the common police services offered by most agencies, the Fox Point Police Department continues to respond to medical calls within the community, providing patient care until an ambulance arrives. During 2006, all officers completed a 24 hour refresher on basic emergency medical care, in addition to the police in-service training and specialty training.

Beginning in 2005, all members of the Fox Point Police Department began an ongoing training program that will carry over into coming years. The National Incident Management System (NIMS) has been developed by the federal government to prepare responders in dealing with events that may occur in the community and stretch the available resources. During 2006 all police personnel continued this training with an additional three modules covering the national response plan and basic principles of incident command.

The Fox Point Police Department continues to educate their personnel on the newest techniques and available technology with the hopes of providing a level of service available only in Fox Point.

Firearms Training

A four booth indoor range is located in the basement of the Fox Point Police Department. Since 1968, this range has been used by the Fox Point and River Hills Police Departments to maintain the firearms skills of police personnel.

The Fox Point Police have a formal training program which is designed to test and enhance the skills of the police personnel. In 2006, most officers received 4 hours of firearms instruction. The training program is designed by our Firearms Instructors and is overseen by the Chief of Police. The instructors are certified by the Wisconsin Department of Justice Certified as Firearms Instructors. Having these instructors on staff enables the Department to train the personnel while on duty.

The training sessions begin with basic techniques, and then progress into emphasizing the importance of split second decision making. Actual scenarios are duplicated on the range to test and refine the skills of the personnel. The high stress scenarios were designed to depict dangerous situations that officers may encounter. The instruction also includes officer safety tactics, weapons safety, weapon retention, verbal skills, legal considerations and proper documentation if deadly force is used.

In September, the Department trained at the Ozaukee County Sheriff Departments Firearms Range with the issued Colt M 16 A1 Rifles the Department received from the United States Military Surplus program, the Remington twelve gauge shotguns, and their service handguns.

Defense and Arrest Tactics (DAAT)

The Fox Point Police Department has a Defense and Arrest Tactics Training (DAAT) program which is designed so that officers will know and become efficient in the application of all the skills instructed in the DAAT curriculum. The DAAT system has a guideline which assists law enforcement officers to analyze a subject's behavior and to determine a reasonable level of force to use in response to that behavior.

The techniques used in this system were adopted by the Wisconsin Department of Justice and the Law Enforcement Standards Board in 1987. There are five different modes contained in the system, they are: Presence, Dialog, Empty Hand Control Techniques, Intermediate Weapons, and Deadly Force. Each mode contains several techniques and skills which were instructed to the officers during the year, along with several other topics such as Positional Asphyxia and officer fitness.

During 2006, Sgt. Douglas J. Dubnicka has been a certified DAAT Instructor since 1995, instructed each officer in excess of 5 hours on the skills and techniques of the DAAT System, most of which were on the newly issued TASERS. The Fox Point Police Auxiliaries each received 4 hours of DAAT training in 2006.

Citizen Surveys

The goal of the Fox Point Police Department is to provide the highest quality service to the community. In May 1997, the Fox Point Police Department began sending surveys to citizens who have had contact with a member of the Department. The computer system flags every tenth name and a survey is sent to the citizen with a stamped, self-addressed return envelope. The surveys are used to evaluate the quality of service that the Police Department provides to the community. Necessary improvements are made based on the results of the surveys.

In 2006, 192 surveys were mailed and 66 surveys, or 34.38%, were completed and returned. Eighty-eight percent of the respondents rated the overall service they received as either good or excellent. Forty-eight percent had only one contact with the Fox Point Police Department. The following tables reflect the results of the surveys:

Crime Prevention

An effective crime prevention program is an invaluable resource in maintaining a successful community policing program. An informed and involved public help reduce the incidence of crime by reducing their crime risk and reporting suspicious activity to police. Two officers are assigned as crime prevention officers and have attended specialized training courses. The Fox Point Police Department has a number of programs in place to inform the community about personal safety issues. The programs include:

- The Block Watch Program, which includes over 1400 households and 57 Block Watch Captains. Participants receive regular newsletters with information about crimes and arrests that occur in the area with informative “tips” to help reduce their risk of becoming victims of crime. An email alert system keeps Block Watch participants informed of any late breaking information.
- Crime Prevention Officers are available to speak to various groups, ranging from kindergartners to seniors, including businesses, to address a variety of personal safety issues and theft prevention techniques. 7 presentations were given in 2006.
- Crime prevention alerts and “tips” are prepared for the Quarterly Village of Fox Point Newsletter and monthly for the Village of Fox Point Web Page (www.vil.fox-point.wi.us).
- Home and business security inspections are available, at no charge, upon a citizen’s request. A Crime Prevention Officer will then respond to the citizen’s home or business and make recommendations to improve security and safety for the resident or business. Crime Prevention Officers conducted 4 home, 2 school, and 4 business security inspections in 2006.
- Crime Prevention Officers attend monthly meetings of the North Shore Crime Stoppers to share information about local criminal activity. This enables the North Shore Crime Stoppers to assist local police departments inform the public about unsolved crimes and obtain information to aid in the further investigations of those crimes.
- The Crime Prevention bureau offers a number of video tapes on a wide range of personal safety issues that are available to residents free of charge.
- Crime prevention officers attend and man an information booth twice a year at the Fox Point Farmer’s Market.

Bike Patrol Unit

The Fox Point Police Department has two sergeants and two officers that are trained as bicycle patrol officers. The Department has three fully-equipped mountain bikes. In 2006, approximately 35 hours were spent patrolling on bike, including special events. The existence of the bike patrol program is due to the generous donations from the Fox Point Foundation. The Foundation originally provided funds for the purchase of the first mountain bike and followed suit with two more bikes, all of which are sized differently to accommodate the different sized officers.

The patrol bicycles are used at special events such as the Fourth of July Parade, the Miller Ride for the Arts, the Lake Front Marathon and were on display at the Fox Point Farmers Market. The four officers assigned to bicycle patrol conduct periodic patrols during spring, summer and fall, when staffing levels permit. The bicycle allows our officers more accessibility to the public. Residents are encouraged to approach the bicycle officers so they may answer any questions they may have. The bicycle officers also patrol in areas that are not accessible to patrol cars, such as Doctor's Park, the local school grounds, and various foot paths.

D.A.R.E.

The D.A.R.E. program is a nationally recognized program which teaches fifth grade students the dangers of drug abuse and reinforces the concept that each person has a right to make their own choices. Officer Michelle Wichman is the Department's D.A.R.E. Officer.

In 2006, the D.A.R.E. program was funded by the Village of Fox Point, with supplements from grant money and other donations.

The D.A.R.E. curriculum consists of 10 weeks of lessons. The D.A.R.E. course was presented to 93 fifth grade students at Maple Dale School and St Eugene's School. The course of instruction included:

- Completion of D.A.R.E. workbooks.
- A weekly D.A.R.E. assignment that reflected each lesson.
- Completing individual and group work in each lesson.
- Completing a "Taking a Stand" essay. The essay was a statement of each student's commitment to stay drug and violence free. Completion of the essay was a mandatory requirement for graduation from the D.A.R.E. program.
- All students took part in a graduation ceremony and received a t-shirt and certificate of completion.

The students were also provided with information on "D.A.R.E. Students Nights" which were sponsored by various professional sports teams. On specific nights the students received free admission into Brewers, Admirals, Bucks games.

Hunter Education Program

The Wisconsin Department of Natural Resources program is sponsored by the Fox Point Police Department. The Hunter Education course instills the knowledge, skills and attitude necessary to be a responsible and safe hunter. Students learn how hunting accidents are caused and how they can be prevented. Hunter responsibility and safety are stressed throughout the classes, which consist of: lectures, demonstrations, group discussions, practical exercises, individual study, and activity assignments. A major emphasis is placed on the safety of firearms in the home. This will help reduce the chance of accidents in our village. All village residents are invited to participate. This year two sessions were conducted. Thirteen children and ten adults were certified by the Department of Natural Resources upon completion of the course. Since 1999, a total of 185 citizens have graduated from the program.

Again, in 2006, the Fox Point Police Department participated in Operation Childsafe. This program is a joint venture between the National Shooters Alliance and the U.S. Department of Justice. The Department of Justice funded the program and furnishes the gun locks to all participating agencies. The Fox Point Police Department distributes the locks as part of the Hunter Safety Program and any citizen who requests a lock.

School Safety Programs

The Fox Point Police Department, with the assistance from the Bayside Police Department, and in partnership with the Fox Point/Bayside Parent Teacher Organization (PTO) conducted many safety programs in the Fox Point/Bayside School District in 2006. Sergeant Amy Resnick develops, coordinates, and oversees the school safety programs.

Sergeant Resnick is founding member of North Shore Kids Safety Network. The members of the team include parents from the various PTO's around the north shore, as well as police department representatives from the north shore. Additional members include school curriculum coordinators, and school principals. Countless hours were spent in planning, coordinating, scheduling, and developing projects. Most of the programs are held in May, shortly before the summer recess.

Grades K4 through 8th were targeted for special instruction in various safety topics. The safety topics included: bicycle safety (including a hands-on skills course for the fourth grade), pedestrian safety (including hands-on practice for the 1st grade), stranger awareness, seatbelt use, Operation Life Saver (railroad train safety), the proper use of 9-1-1 including a hands-on 9-1-1 simulator, personal safety, and internet safety. Bike safety and head injury awareness were stressed for all grade levels, and the sixth grade was targeted this year for a return lecture from a special guest speaker. The speaker spoke to the students about her bicycle crash and subsequent surgery and continuing recovery from her injuries. As in the previous years, the presentation was augmented by photographs of the injuries and sent a strong message concerning helmet use. All students were provided with materials purchased by the PTO and safety material from the Wisconsin Department of Transportation. The fifth, seventh and eighth grades all receive talks and demonstrations by two rehabilitation specialists from Sacred Heart Rehabilitation Institute.

The safety programs continue to be augmented by the annual Helmet Citation Program. Officers in Fox Point and Bayside watch for kids riding safe and wearing their bike helmet. They are rewarded with a fun "citation" and a small prize. Forty "citations" were awarded to local youth in Fox Point in year 2006.

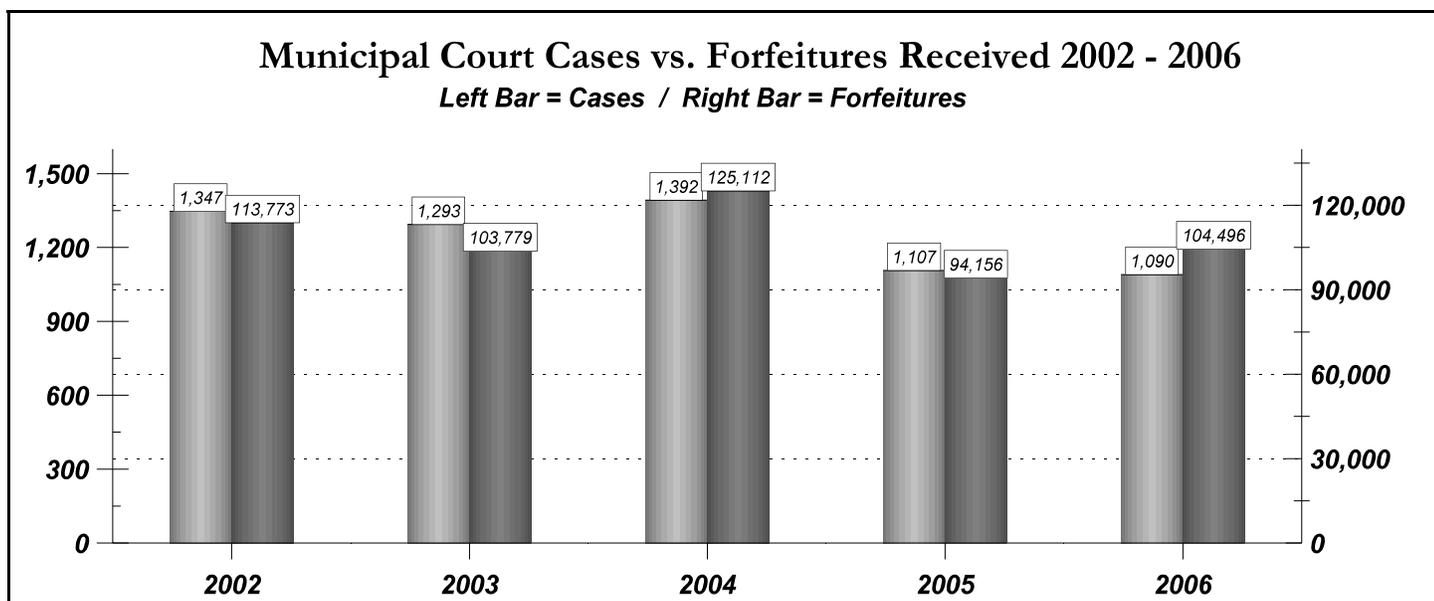

Municipal Court

The Fox Point Municipal Court is held bimonthly in the board room at the Fox Point Village Hall. The Court Clerk is responsible for the daily operations of the Municipal Court which include scheduling cases, processing all adjudicated cases, recording the case dispositions, and submitting reports to the Wisconsin Department of Transportation and the Milwaukee County Clerk of Courts.

The Court Liaison Officer is responsible for the safe and orderly operation of the Municipal Court while the court is in session. While the court is in session, the liaison officer is responsible for security in the courtroom, collecting fines, issuing payment reminders, and processing occupational drivers license requests.

In 2006, the Municipal Court processed 1,090 cases. Uniform Traffic Citations accounted for 814 cases, Municipal Ordinance Citations accounted for 186 of the cases and Parking Citations accounted for 90 of the cases. A total of 202 defendants failed to appear in court or pay the fine and were found guilty by default. These defendants were notified they would be found guilty by default if the fine was not paid or they failed to appear for a new scheduled court date. The Fox Point Municipal Court issued 62 Municipal warrants and commitments. The driving privileges of 124 defendants were suspended for failing to pay their forfeitures. There were eleven (11) requests for trials before the court, three (3) of which took place. Eleven (11) court cases were accepted as transfers from other jurisdictions and five (5) cases were transferred out to other courts. The total forfeitures received by the Court in 2006 was \$104,495.88.

The Fox Point Municipal Court participates in the Tax Intercept Program through the Wisconsin Department of Revenue (WDOR). Wisconsin State Statute permits the WDOR to set off taxpayer refunds and other

refundable credits against unpaid fines and forfeitures. Fox Point began participating in the program in 1998. In 2006, \$1,632.53 was collected through the program. Since the inception, Fox Point has collected \$26,206.81 through the Tax Intercept Program.

Motor Vehicle Fleet

The Fox Point Police Department maintains a fleet of 7 vehicles. 4 out of the 7 vehicles are used 24 hours per day. In 2005 a total of 105,248 miles were driven by Fox Point Police Officers. 8,946 gallons of gas were used and the average gas mileage for the entire fleet was 11.76 miles per gallon. The number of miles driven varies annually and is dependent upon the number of officers on the force and vehicle downtime. The following table reflects the miles driven, fuel consumed, and average miles per gallon for the past ten years:

DEPARTMENT MOTOR VEHICLE FLEET STATISTICS 1995 - 2006

Traffic Accidents

In 2006, 74 reportable traffic accidents occurred in the Village of Fox Point. This represents a 7.5% decrease in accidents compared with 2005. Sixty-six of the accidents resulted in property damage only, and eight accidents resulted in personal injuries. The largest concentration of accidents, 34 (43%), occurred in the 7400 to 8700 blocks of North Port Washington Road.

Reportable accidents are any accidents which involves at least one motor vehicle in transport and results in injury or fatality of a person, total damage to one person's property to an apparent extent of \$1,000 or more, or damage to government-owned property to an apparent extent of \$200.00 or more (except government-owned vehicle which is \$1,000).

Operational Budget

Throughout the years, the Fox Point Village Board has been very supportive of the Police Department in providing financial resources so that the best law enforcement services are made available to the community. The staff of the Fox Point Police Department realizes that all public officials must be fiscally responsible and to that end, fiscal responsibility is an important value contained in our Mission and Value Statement.

The annual expenditures have consistently been below the budgeted amount. Approximately 80% of the operational budget is for personnel costs while the remainder of the budget is used for operational costs. In the past few years, the personnel costs have increased significantly due to an increase in health insurance costs. The table below shows a comparison of budgeted amounts versus actual expenditures.

Capital Budget

All Department heads in Fox Point are required to submit a 10-Year Capital Improvement Plan each year. The Capital Improvement Plan is an important financial planning tool for local governments. Sound fiscal planning results in maintaining the infrastructure and capital equipment in the Village as well as being fiscally responsible to the taxpayers. Every year, the Fox Point Police Department has come under budget in the capital budget. The table below shows a five-year comparison of the budgeted amount for capital items versus the actual expenditure.

CAPITAL BUDGET 2002-2006										
	2002		2003		2004		2005		2006	
	Budgeted	Actual	Budgeted	Actual	Budgeted	Actual	Budgeted	Actual	Budgeted	Actual

 ** = \$119,000 Encumbered to 2005 Budget for police station design
 *** = \$3,354,400 Included in this total for design and construction of a new police station

In 2006, the Village Board approved \$3,125,150 for the construction of a new police station to replace the current station which is almost 60 years old. Not including the funds for the new building and encumbered funds for building design, the capital budget for 2006 came in \$4,517 under budget. In addition to the funds for the design and construction of a new police station, the following capital items were budgeted in 2006: two squad cars, a radar unit and a computer network server.

Revenues

Revenues generated by the Fox Point Police Department include: firearms range user fees, fines and forfeitures, asset forfeitures, sale of squad cars and used equipment and bicycle licenses.

In 2006, \$120,094 in revenue was generated by the Police Department. This is \$13,056 below the projected amount of \$133,150. The following chart shows a five-year comparison of revenues.
